

2021 ACLPS Annual Meeting Schedule

Schedule listed below is in US Eastern Time (ET)

Thursday, May 27

10:00 am **Opening Remarks**

10:05 am **Cotlove Award Lecture**

Steven Moore, MD, PhD, Director of Neuropathology, University of Iowa; Co-Director, Wellstone Muscular Dystrophy Cooperative Research Center; Professor of Pathology
Duchenne muscular dystrophy from early disease descriptions through clinical trials of genetic therapeutics: perspectives of a neuropathologist

10:50 am **Scientific Session 1: Social Media and Education in Lab Medicine**

Maren Fuller, MD, Assistant Professor, Baylor College of Medicine
Promoting Pathology via Social Media: Introduction & Best Practices

Michael Astion, MD, PhD, Professor, University of Washington
Neglected Educational Considerations in Laboratory Management

Daniela Hermelin, MD, Assistant Professor, Saint Louis University School of Medicine
Using Twitter Social Media to Advance Laboratory Medicine: A Skill for All Ages

12:35 pm **Lunch Break**

1:05 pm **Young Investigator Session 1 & 2**

Session 1: Main Stage

Session 2: Secondary Stage

2:35 pm **Break**

2:45 pm **Young Investigator Session 3 & 4**

Session 4: Main Stage

Session 3: Secondary Stage

3:45 pm **Break**

4:00 pm **Special Scientific Session: Race in Laboratory Medicine**

Melanie Hoenig, MD, Associate Professor, Harvard Medical School
Derailed in pursuit of the grail: how race found its way into the estimated glomerular filtration (eGFR) equation and a path to remedy

Lesley Inker, MD, MS, Associate Professor, Tufts University; Director, Kidney and Blood Pressure Center
Improving upon Use of Race in GFR Estimating Equations

Friday, May 28

10:00 am **Evans Award Presentation**

10:15 am **Strandjord Grant Awardee Lectures**

10:55 am **Break**

11:00 am **Scientific Session 2: Laboratory Medicine for LGBTQIA+ Patient Populations**

Katie Imborek, MD, Clinical Associate Professor, University of Iowa Hospitals and Clinics, Department of Family Medicine; Co-Director UI Health Care Lesbian, Gay, Bisexual, Transgender, Queer, and Questioning (LGBTQ) Clinic
Caring for the LGBTQ+ Patient

Dina Greene, PhD, DABCC, Technical Director, Kaiser Permanente Washington Laboratories; Clinical Associate Professor, University of Washington-Seattle, Department of Laboratory Medicine
Interpreting Chemistry and Hematology Laboratory Results in the Transgender Population

Ina Amarillo, PhD, FACMG, Associate Professor, Washington University School of Medicine in St. Louis, Department of Pathology and Immunology; Associate Medical Director, Cytogenetics and Molecular Pathology Laboratory
Creating Inclusive and Affirmative Lab Genomic Practices for Gender-Expansive, Transgender and Intersex/DSD Individuals

12:45 pm **Lunch break**

1:15 pm **Scientific Session 3: Current Topics in COVID-19 Lab Medicine**

David Hillyard, MD, Professor, University of Utah
The challenge of SARS-CoV-2 variant testing

Geoff Baird, MD, PhD, Professor, University of Washington
Clinical Laboratory Direction in the Apocalypse: Responding to the SARS-CoV-2 Pandemic in the First Hotspot in the US

Aaloke Mody, MD, Instructor in Medicine, Washington University in St. Louis
COVID-19 Testing for Public Health Impact: What does equity look like?

3:00 pm **Break**

3:15 pm **Benson Award Lecture**

Colin Pritchard, MD, PhD, Associate Professor, University of Washington-Seattle; Head of the Genetics Division of Laboratory Medicine and Pathology
Cancer Genetic Testing in 2021

4:00 pm **Annual Business Meeting**

4:55 pm **Closing Remarks**

Thanks to our 2021 Lab Medicine Sponsors!

Diamond Sponsors: ARUP Laboratories and Roche

Platinum Sponsor: BioFire Diagnostics

Gold Sponsors: Abbott, Binding Site, and University of Iowa Diagnostic Labs
